

Company Profile

South African Motor Bike Adventure (Samba Tours) is run by husband & wife team Nina & Thomas Assenmacher who are both motorbike enthusiasts and specializes in exclusive private guided motorbike tours on Harley Davidson or BMW motorbikes.

Our tours throughout South Africa are carefully planned and we have a reliable support team in place to ensure a most enjoyable touring experience. On our guided tours you will be accompanied by a qualified tourist guide with his own bike who has an extensive knowledge of South Africa and its people and a service vehicle for luggage and transfers. We are able to offer guided tours in various foreign languages.

We offer a variety of traveling choices. Whether you travel with a private tourist guide who takes care of your every need, a self drive tour where we supply detailed route maps, tips and assistance or enjoy the sights from the back of a Harley Davidson Motorcycle, we will find the right means of transport for you. At the end of the day's journey you maybe need a bit of pampering after the dusty road or simply want to enjoy a gourmet meal with excellent wines. You can expect warm hospitality and value for money throughout Southern Africa. The hospitality establishments in South Africa easily hold their own with the best in the world. Everything from 5 Star luxury to warm and friendly home stay style accommodation is available. Don't delay any longer; make your dreams a reality. Come and explore what South Africa has to offer on a motorbike and start planning your journey to this magical country today with us.
